

GET... In TTouch with Your Horse

# RIDING CLINIC WITH MANDY PRETTY

“Connecting riders with their horses”

Improve your relationship with your horse by improving your skills!

- *Handle and ride horses more effectively and subtly.*
- Learn to ride in harmony with your horse.
- *Teach your horse to carry themselves in a better posture with simple groundwork.*
- Utilize easy to learn body work that builds a better rapport with your horse.
- *Find positive solutions to unwanted behaviour or performance issues.*

Using **Tellington TTouch Training (TEAM)** and **Connected Riding®**

Mandy Pretty teaches a combination of Bodywork; Groundwork & Riding suitable for all abilities and disciplines.

**Low stress methods for horse and handler; improving your horse's physical and mental wellbeing and performance.**

**Learn to ride in harmony with your horse.**

**Increases body awareness & clarifies communication.**

**Bridges the connection between bodywork, groundwork, and increasing performance under saddle.**

**~ Suitable for all breeds and disciplines ~**
